President W. H. Harrison, M. A.

For a number of reasons Mr. Harrison was the logical president for Bethel College. For several years he was with his father at Bethel Female College, located in the same territory, and so is well known in his field and therefore highly honored by the people.

He was born in Richmond, Va., March 11, 1869, and so is 34 years old. He graduated from Richmond College with B. A. in 1888, and A. M. in 1889; was principal of Franklin Academy, Va., four years, then instructor of Locust Dale (Male) Academy, Va., then professor of Mathematics and Natural Sciences at Brownsville College, Tenn., from where he came to Bethel Female College in 1896. He is, as is well known, the son of Prof. Edmund Harrison, for years professor in Richmond College and now the honored president of Bethel Female College, Hopkinsville, Ky. At Brownsville College he met a fellow teacher, the charming daughter of Rev. S. C. Hearne, now of McKenzie, Tenn., who has since presided over his home and helped him in his work. From every direction information comes that with his election Bethel College has enlarged her plans and has with renewed enthusiasm undertaken to do a greater work than ever before.—Baptist Argus.

A little life may be sacrificed to an hour's delay. Cholera infantum, dysentery, diarrhoea come suddenly. Only safe plan is to have Dr. Fowler's Extract of Wild Strawberry always on hand.

The first session of the so-called Southern Negro Congress, was held in Memphis last week.
